**EDUCATION****University of North Carolina at Charlotte, NC**

Bachelors in Science, Computer Science

**Norwalk Community College, Norwalk CT**

Associate in Science, Computer Security

**Henry Abbott Technical High School, Danbury CT**

- High School Diploma
- Awarded outstanding in Electronics

**SKILLS/COMPETENCIES**

HTML, CSS, JavaScript, JQuery, MVC, Bootstrap, Semantic UI, NodeJS/NPM, ExpressJS, MongoDB, Mongoose, EJS, Angular 2/Angular 4, TypeScript.

**PROJECTS****Current Projects:**

Movie Info – Movie information web application. Uses the REST API from <https://www.omdbapi.com/> to retrieve JSON data.

Technology Used:

- HTML, CSS, JavaScript
- Angular 4
- Bootstrap 4
- TypeScript

YelpCamp – Campground review application for the web similar to Yelp.

Technology Used:

- MongoDB and Mongoose
- ExpressJS
- NodeJS and NPM
- EJS Template Engine
- Passport for user authentication

Portfolio Website – My portfolio web site. Uses HTML, CSS and Bootstrap.

## **Past Projects:**

Wikipedia search application – Wikipedia search application using JavaScript, JQuery, HTML and CSS. This project uses an AJAX request for JSON data from Wikipedia's REST API. Displays a list of search results to the user.

Local Weather App – Uses the REST API from [openweathermap.org](https://openweathermap.org) to receive JSON data for the weather at user's location. This application takes advantage of Geo-location and the REST API from [ipinfo.io](https://ipinfo.io) to determine the users location. Written in JavaScript, JQuery, HTML, and CSS.

RGB Color Game – A game designed to teach the RGB color code. Generates random RGB colors and asks the user to choose which color represents the given color code. Written in JavaScript, HTML and CSS

## **ACTIVITIES/INTERESTS**

I enjoy gaming, spending time with my Fiance, family and dog. Some of my free time is spent learning and experimenting with new Web technologies and languages. I attend the monthly Charlotte Front-End Developer [meetup](#) group.

## **Employment**

**Target Gastonia, NC, Current**
